### **"BAD HANGOVER" AUDIO DESCRIPTION:**

"Bad Hangover" captures the addictive pull of a love that's both thrilling and toxic—a relationship you know isn't good for you, but one you keep returning to, like a late night drink that leaves you reeling the next day. Written after a festival weekend, hungover and running on fumes, we channeled that hazy, self-destructive urge into a track that mirrors the highs and lows of toxic love. With gritty lyrics and an undeniable beat, "Bad Hangover" is for anyone who's felt stuck in that push-pull cycle, chasing the high while bracing for the inevitable crash.
